A hand-drawn graph on a grid background. The x-axis is labeled with 'x' and has tick marks at 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50. The y-axis is labeled with 'y' and has tick marks at 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50. The graph shows a function with several peaks and valleys. The first peak is at approximately (10, 15). The second peak is at approximately (20, 10). The third peak is at approximately (30, 15). The fourth peak is at approximately (40, 10). The fifth peak is at approximately (50, 15). The sixth peak is at approximately (60, 10). The seventh peak is at approximately (70, 15). The eighth peak is at approximately (80, 10). The ninth peak is at approximately (90, 15). The tenth peak is at approximately (100, 10). The eleventh peak is at approximately (110, 15). The twelfth peak is at approximately (120, 10). The thirteenth peak is at approximately (130, 15). The fourteenth peak is at approximately (140, 10). The fifteenth peak is at approximately (150, 15). The sixteenth peak is at approximately (160, 10). The seventeenth peak is at approximately (170, 15). The eighteenth peak is at approximately (180, 10). The nineteenth peak is at approximately (190, 15). The twentieth peak is at approximately (200, 10). The twenty-first peak is at approximately (210, 15). The twenty-second peak is at approximately (220, 10). The twenty-third peak is at approximately (230, 15). The twenty-fourth peak is at approximately (240, 10). The twenty-fifth peak is at approximately (250, 15). The twenty-sixth peak is at approximately (260, 10). The twenty-seventh peak is at approximately (270, 15). The twenty-eighth peak is at approximately (280, 10). The twenty-ninth peak is at approximately (290, 15). The thirtieth peak is at approximately (300, 10). The thirty-first peak is at approximately (310, 15). The thirty-second peak is at approximately (320, 10). The thirty-third peak is at approximately (330, 15). The thirty-fourth peak is at approximately (340, 10). The thirty-fifth peak is at approximately (350, 15). The thirty-sixth peak is at approximately (360, 10). The thirty-seventh peak is at approximately (370, 15). The thirty-eighth peak is at approximately (380, 10). The thirty-ninth peak is at approximately (390, 15). The fortieth peak is at approximately (400, 10). The forty-first peak is at approximately (410, 15). The forty-second peak is at approximately (420, 10). The forty-third peak is at approximately (430, 15). The forty-fourth peak is at approximately (440, 10). The forty-fifth peak is at approximately (450, 15). The forty-sixth peak is at approximately (460, 10). The forty-seventh peak is at approximately (470, 15). The forty-eighth peak is at approximately (480, 10). The forty-ninth peak is at approximately (490, 15). The fiftieth peak is at approximately (500, 10).
